

IMPORTANT NOTICE NON LICENSED RA Gun Club Members

Please carefully review the following notice if you do not currently hold a valid PAL.

Members who do not currently have a Firearms License (PAL) **CAN RENEW** their Club Membership and may shoot under the direct and immediate supervision of a licensed member for the upcoming 2009 – 2010 season. *This direct supervision for those without a valid Possession & Acquisition Firearms License (PAL) is a requirement of the Firearms Act.*

Please be aware that since this supervision is provided by volunteers, shooting limitations may occur pending the availability of licensed members. Non licensed members are therefore encouraged to start the process to get your Firearms License early in the upcoming season and increase your shooting opportunities.

Firearms courses are offered monthly by the RA Centre – see www.racentre.com for details. Register early as these courses sell out well in advance.

NEW FIREARMS LICENSE REQUIREMENT EFFECTIVE SEPTEMBER “2010”

RA GUN CLUB FIREARMS LICENSE POLICY - STARTING FALL of 2010

All **“RETURNING”** members will be **REQUIRED** to have a Firearms License (PAL), or at least prove that they have an application in process.

The club cannot provide 1:1 supervision for an indefinite period. In fairness to all shooters, the RA Gun Club will require returning Members to have their license commencing September 2010 and in subsequent years (for renewing members).

NEW members may continue to join the Club without having a PAL for their **FIRST** full or partial season of membership. However, upon “renewing their membership” in a subsequent year, a valid Firearms License will be required. Existing club members can refer friends or family to join the club prior to getting their PAL, but should also advise any referrals of the requirement to get their Firearms License during their first season of membership or before renewing in future years.

We hope you share our commitment to fostering a safe and enjoyable target shooting experience for all Members of the Club. We look forward to seeing you on the range.
