

RA PICKLEBALL GUIDELINES – Fall 2020

Before you come and play

- All players are required to check in with the session administrator on each visit
- Clean indoor court shoes are required on courts at all times – no exceptions. Do not wear your court shoes outdoors and then onto the courts
- Change rooms will not be available so come ready to play
- Players are allowed to play Pickleball during designated times only
- Players may enter the club 15 minutes prior to designated times and leave 15 minutes after scheduled times
- Players are only able to access courts on the days for which they have registered

On court

- Doubles Pickleball play only (no singles)
- Regular Pickleball rules apply
- All games will be 20 minutes in length
- Players will rotate in and out when the whistle blows
- Administrator will marshal players on and off the courts to ensure equal access for all
- Please enter the courts through the lounge and exit courts through the door along the north wall
- Players must respect the instructions of the session administrators at all times
- No physical, verbal or emotional abuse of any kind will be tolerated

Off Court

- Players in the lounge will wait for the whistle to end the game
- The pro will then allow them on court in an orderly manner
- Rotation will be in a “snake-like” manner to allow variety in play and minimal wait time
- **At all times, players must respect the session administrator and their instructions.** We want everyone to have fun, and have fair and equal access to the courts

COVID-19 Adjustments

- The Playboard will not be in use
 - Minimizing touch points
 - Minimizing crowding
- All games will run for 20 minutes and end when the whistle blows
- Players will snake along the court to rotate
- If there are 12 players waiting in the lounge, the rotation will be 12 people off and 12 people on
- Bring your smile and patience
